

- Up, up, with the fair food nation!
Down, down, with exploitation!
- J-U-S, J-U-S-T-I-C-E!
Is what, we want,
is justice in Immokalee!
- No more slaves /
Pay a living wage!
- What do we want? Justice!
When do we want it? Now!
- Publix can't hide for long! /
When we unite our voice is
strong!
- One! We are the people!
Two! A little bit louder!
Three! We want justice for
farmworkers!
- The people, united,
will never be defeated!
 - ¡El pueblo, unido,
jamás será vencido!
- Publix shame on you! /
Farmworkers deserve rights too!
- Hey Hey / Ho Ho /
Exploitation's got to go!
- Publix, there are no excuses /
for human rights abuses!
- Exploitation ain't the way,
farmworkers deserve fair pay!
- Publix, you can't keep hiding!
We the people are uniting
- Get up! Get down!
Fair food has come to town!
- Publix, ¡escucha!
¡Estamos en la lucha!
