

- Up, up, with the fair food nation!  
Down, down, with exploitation!
- J-U-S, J-U-S-T-I-C-E!  
Is what, we want,  
is justice in Immokalee!
- No more slaves /  
Pay a living wage!
- What do we want? Justice!  
When do we want it? Now!
- Wendy's can't hide for long! /  
When we unite our voice is  
strong!
- One! We are the people!  
Two! A little bit louder!  
Three! We want justice for  
farmworkers!
- The people, united,  
will never be defeated!
  - ¡El pueblo, unido,  
jamás será vencido!
- Wendy's shame on you! /  
Farmworkers deserve rights too!
- Hey Hey / Ho Ho /  
Exploitation's got to go!
- Wendy's, there's no excuses /  
for human rights abuses!
- Exploitation ain't the way,  
farmworkers deserve fair pay!
- Wendy's, you can't keep hiding!  
We the people are uniting
- Get up! Get down!  
Fair food has come to town!
- Wendy's, ¡escucha!  
¡Estamos en la lucha!
